Your Priest-in-Charge Writes

Dear Friends

We live in anticipation of good things to come. The wedding of a royal has been set for the end of April. The licensing of a house-for-duty priest will be on 6th March. Others have weddings and christenings to come this year in one or another of our six churches. For each of these special events, preparations will be going on to ensure that all goes smoothly on the day. What good things are we anticipating for our churches?

The question itself challenges us about our expectations as Christian people. It challenges our faith that God holds the future in his hands even if that is partly determined by our actions, hopes and prayers in the present and the past. The prophet Jeremiah had some very hard words to say in God's name to his people. Much of it was a record of loss: loss of homeland, temple and freedom to determine their own affairs as they wished. However, in a letter sent by the prophet to the exiles in Babylon, he strikes up a note of hope and promise:

“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.” (Jeremiah 29: 11)

The hope of many is that William and Kate will have a better marriage with more good things than William's mother and father had. Whatever side you take on the troubled relationship of Princess Diana and Prince Charles, the hope is for good things to unfold in this forthcoming marriage. However, the prophet Jeremiah links these good things to come with a rider:

“Then when you call upon me and come and pray with me, I will hear you. When you search for me, you will find me; if you seek me with all your heart.” (Jeremiah 29: 12-13)

Such a text reminds us that, just as the right preparations will help weddings and christenings go smoothly, so the plans for a good future held in our Lord's hands require us to prepare for their coming. Calling, coming, searching, seeking our God in prayer and hopeful expectation are all present continuous actions we are challenged to do. Will you hope and pray with us for the fulfilment of this promise for our churches?

Every blessing in Christ

Norman Robinson

The church was beautifully decorated with holly, ivy, red and gold ribbons, and over 200 candles by Robert and Elizabeth Peace, Geoff and Valerie Richardson, Deirdre Bennett (Rupert's mother), Gill Wilson, Brian Mallinson and Jean Mallaband. The Christmas tree was donated by Frank Dickinson and decorated by Peter and Marjorie Edmondson.

Rev Norman Robinson welcomed around 90 parishioners and introduced Eileen Reid—ordinand-in-training.

The Advent candles were lit by Ben Howe. The Readers were Diane Scott, Jean Mallaband, Jayne Holland, Brian Mallinson, John Hall, Norman Robinson and Eileen Reid. A sketch 'The Wise Men Reminisce' was performed by Norman Robinson, Eileen Reid, John and Vicky Noble. The organist was Eleanor Benson, who played for the eight carols. The offertory was taken by Marjorie Edmondson and John Foster, Churchwardens, which amounted to £263. This will be handed over to the Eden Valley Hospice.

The evening ended with mulled wine, shortbread and mince pies.

CALDBECK MOTHERS' UNION

We were delighted that, again, we were able to enjoy a delicious Christmas lunch at Denton House. It was lovely that Mrs Pat Shaw, one of our members, was able to be with us this year as school had finished, and we welcomed members from Westward who will join us following the closure of their branch in January.

Sally, Pam Wood's daughter, told us about the Christmas food and festivities in Norway, where she lives. There, the main celebrations are on Christmas Eve. It is interesting to see how we have adopted some of their traditions like some of their candle arrangements, but I think I will still stick to turkey rather than some of their more unusual (to us) festive fare, such as a fish dish, which I didn't feel would have been my choice for Christmas Day.

Following the lunch, some of the members went and sang carols with the residents of Midtown, who greatly appreciated their visit.

CALDBECK WI

The first meeting of 2011 was held on Wednesday 5 January. Everyone was welcomed and wished a 'Happy New Year' by Mrs Pat Shaw. The Minutes of our last meeting were read by Mrs Patricia Richardson and the County News was read by Mrs Shaw.

Mrs Shaw thanked everyone who had helped at, and who had attended the Over 65's Christmas party in December. The afternoon tea and entertainment had been greatly enjoyed by those who had attended.

Mrs Shaw spoke about the generous donation of £50 that had been received from the Hound Trails Association, and that she and Mrs Bridget Archer had attended the presentation of the cheque. Members were very grateful for the donation.

As the AGM was not held in December, due to the bad weather, this followed the business meeting. Mrs Pauline Wolfenden, Treasurer, presented the financial report which was adopted by the members. (Proposed by Mrs Joan Todhunter, seconded by Mrs Bridget Archer). Mrs Richardson, Secretary, read the secretary's report, and Mrs Shaw, President, presented her report. She thanked members for attending the meetings and Mrs Roberta Bowen, who is leaving the committee due to other commitments. The remaining committee members agreed to continue. The president's report was adopted. (Proposed by Mrs Wolfenden, seconded by Mrs Ashmore).

Mrs Shaw introduced our speaker for the evening, Mrs Debbie Harbach, who had come to speak about 'Complementary and Alternative Therapies'. She talked about a variety of therapies and finished her extremely interesting talk by demonstrating a most relaxing upper back and shoulder massage.

The evening finished with a supper of soup and mince pies.

CALDBECK PLAYERS

Thank you to all who supported and took parts in Caldbeck Players' Christmas Celebration, in spite of the dreadful weather. We raised a total of £410 and so a cheque for £205 each has been sent to The Dawn Jackson Memorial Fund and the Great North Air Ambulance.

CENTENARY YEAR OF THE PARISH MAGAZINE
Extracts from February 1911, Caldbeck Parish Magazine

'The Magazine - Up to date, 140 houses in the parish have taken in the Magazine, and as there are only about 180 inhabited houses in all, it is hardly likely that the circulation will ever exceed 150, which is the number ordered for future delivery.

Magazine Distributors - The following persons have kindly undertaken to distribute the Magazines in the district placed after their names:

Miss Simpson - Rectory district and Friars Row.

MJ Steel - Upton, The Wath, Sharpe House and Biggards.

Effie Dobson - Ratten Row, The Green, etc., up to Brewery House.

Mary Lizzie Dalton - Fellside and Branthwaite.

Sarah Mattinson - Hesket-new-Market.

Nancy Hudson - Park End, Greenrigg, Faulds.

Willie Wallace - From Upton School to Whelpo Bridge.

John Scott - Rough Close, Burplethwaite, Intack, etc.

It is Mr Simpson's earnest desire that every Magazine taken out in the parish should be delivered on the first day of each month.'

Those distributors did a good job, on foot of course. Older readers of our magazine will remember some of them well. I am left with the question, "Who delivered them in the Brownrigg area?"

The editor of the 1911 magazine reported in February on the doings of the following Parish Groups - The Day Schools, The Rifle Club, The Choral Class, Caldbeck Hockey Club, Caldbeck & District Temperance Society, Girls' Friendly Society (who met in three places - Caldbeck, Fellside and Hesket Newmarket), and Caldbeck Sunday School.

FELLVIEW SCHOOL NEWS, JANUARY 2011

In spite of the bad weather at the end of last term all staff and the majority of pupils managed to get to school each day, which meant that we could teach the curriculum as planned.

The children enjoyed the end of term activities. We performed Shepherd Boy, a Nativity play, twice to two packed audiences. The school Christmas Dinner and Party were enjoyed by pupils, staff and governors. Mandy cooked the traditional turkey dinner and the Y5 and 6 children made the Christmas pudding. Staff served both children and governors. Father Christmas came in the afternoon to distribute presents to the children. Party games were organised for both KS1 and KS2. On the Thursday afternoon Welton and Fellview Schools attended a performance of Alice in Wonderland at the puppet theatre at Unthank. The children were fascinated by the workings of the puppets. Friends of Fellview kindly paid for the treat for the children.

This term has started fairly quietly. There are various sporting activities, a drama after-school club and film club planned.

Message from Duncan Fairbairn, District and County Councillor

WELTON SCHOOL NEWS, JANUARY 2011

Sports News

All the children took part in swimming lessons at Richard Rose School in the Autumn Term, receiving certificates for their achievements.

Class 2 took part in a Netball tournament with our cluster schools – they were extremely pleased to return with the trophy for the second year.

Visits

Last term Class 2 visited the Buddhist Centre in Carlisle which they found very interesting. Class 1 enjoyed a visit to Carlisle Castle as part of their topic on Castles. They particularly enjoyed dressing up as knights and finding out how boys as young as six used to train to become a knight. They paid a visit to the dungeons which they thought were very cold and a little scary!!

Once again all the children enjoyed performances by the Music Ensemble group. This year the theme for Class 1 was seasons, whilst Class 2 listened to music based on the story of the Titanic. The children listened to, and played, a variety of instruments.

Upfront Puppet Theatre was the venue for the children's Christmas treat. They enjoyed watching a performance of Alice in Wonderland.

Fundraising

Some of our willing parents organised a Pudsey Games afternoon on Children in Need day. They played games including pin the red nose on Pudsey, musical chairs and pass the parcel. The children also made a spotty Pudsey eye patch for their favourite teddy. The event raised a total of £60 for Children in Need.

The School's Council organised a very successful Christmas Fair which raised a total of £165.20. The children ran a variety of stalls, including: guess the weight of the cake, name the Teddy Bear, Santa's Treasure Island, a cake stall and a bran tub (to name but a few)! **Many thanks to everyone who supported the event.**

Other News

Our Community Police Lady came into school to talk to the children about the importance of road safety. She reminded the children to wear something bright at night and to always wear a helmet when riding a bike.

Our annual Christmas Nativity was another great success. This year's production was called 'Bethlehem's Buzzing'. The traditional nativity story was set amongst a busy, bustling market where traders tried to sell cheap and fake items, passing them off as genuine, quality goods! However, they soon learned the error of their ways with the birth of the baby Jesus.

Welton School is participating in the Fanplastic recycling scheme. Lyndsey Buckle from Fanplastic led an assembly to introduce the scheme. She showed the children different products such as bookmarks, carrier bags and badges which can be made from recycled plastic. We now have a bin to collect plastic which is collected every week and taken to the depot in Carlisle. The children are keeping a track of how much plastic we are managing to recycle.

c) Dale Beck Barn, Branthwaite – Compliance investigation. Email received from Julie Birkett, Compliance Dept, today on 13th December. Ms Birkett had received a reply from Mr Carruthers simply saying that the house was unoccupied. She asked if the Parish Council had any further information about how often the house is occupied. The Clerk said that she had been told by people locally that the house is occupied for the weekend about once a month. It was agreed that this information should be emailed to Ms Birkett.

3. Parish Maintenance

a) C2055, Hesket Newmarket. Proposed prohibition of motor vehicles. Following the consultation in September, the County Council is now proceeding to legal advertisement of the traffic regulation order.

Church Terrace Potholes. Mrs Bibby, Priests Mill, is consulting the Highways Inspector for advice as to what material might best repair the potholes long term.

Winter salt/grit for roads programme. The Clerk to write to Cumbria Highways to remind about the B status of the Caldbeck to Mealsgate road, and to request that Hesket Newmarket's priority status is improved from 3 to 2 in view of a sizeable resident population, and four businesses in the village, all of which lose business when the access roads are left in an icy, dangerous, uncleared state.

Ditch below the Old Joiners Shop. The Chairman reported that the work to reinstate the ditch and install a drainage pipe has been completed today.

4. Next Generation Broadband. Roy Knowles explained that the aim is to have 30 rural parishes in Cumbria on NGB (Next Generation Broadband) by 2012 and the remaining parishes on NGB by 2015. Roy is willing to act as the liaison person for the Parish Council. It was agreed to allocate funds to support work needed towards the project.

5. **The Budget** was agreed and the **Precept** set at £9,350 for 2011 – 2012.

6. **Queens Diamond Jubilee in 2012.** Letter received from Rt Hon Eric Pickles, MP, saying that he hopes communities will plan and enjoy celebrations with the minimum of red tape.

DATE OF THE NEXT MEETING: Monday 24th January 2011. All are welcome

Message from Cumbria County Council

During this current cold spell there have been a number of reported incidents where people have been removing salt/grit from salt/grit bins for their own personal use.

This is against the law and, by stealing grit allocated for the public highway, people are not only putting others at risk, but they also face prosecution and Cumbria Highways will work in partnership with the police to help catch those responsible.

Caldbeck Area First Responders

We are looking for very special people

First Responders are volunteers with the knowledge and skills to act as an agent of the NHS Ambulance Service and attend specified immediately life threatening emergencies. Trained to deliver emergency first aid and resuscitation to a patient prior to the arrival of the health care professional, they operate in a safe and ethical manner in line with the Ambulance service policies and procedures.

Thankfully we have a brilliant team of First Responders in the Caldbeck Area but, due to work commitments and moving home, we have recently lost four team members. If you, or anyone you know, could commit to this very worthwhile cause then please apply now. We have two weekend training courses coming up in April (9/10 & 16/17) at Carlisle Hospital Education Centre. There are other courses in Cumbria but it would mean further to travel. You would need to be reasonably fit and happy to attend regular training. We train every month and attend extra sessions on specialist subjects. We are a good team and would warmly welcome any newcomers.

Please contact any team member for more details or phone Philippa Groves on 016974 78555 or Pat Shaw on 016974 78639

CALDBECK CAROL SINGING 2010

Once again, our apologies to those we did not reach on our carol singing evening in December, and our thanks to those whose generosity enabled us to reach a total of £260 from our collecting boxes and related donations. We divided this between the three children's charities: NSPCC, NCH and SCF.

To singers and drivers and all others who helped in any way, thanks again on behalf of the three children's charities that are supported. It was particularly nice to have some new singers joining in this year and, equally, to see familiar faces again!

Next Christmas we hope to visit some of the areas we missed this time, depending on singers available. So, come along then, if you can. You will be most welcome!

CAFS REPORT FOR FEBRUARY 2011

The February presentation has had to be changed as our film supplier cannot now send **Kind hearts and coronets**. We apologise for this alteration in the programme but have now chosen a title from the reserve list. **Nowhere boy**, a period drama about the early life of John Lennon will now be shown on Sat Feb 19th at approx 7.30pm with a fish and chips supper at 6.30pm. Tickets for the meal will cost £7 and include a simple dessert and coffee. The tickets are available as usual from the Caldbeck and Hesket Newmarket Village stores or can be booked from Sally Vaux by ringing 016974 78626.

This English film is the directorial debut of the artist Sam Taylor-Wood, made in 2009 and lasting 98 mins. It covers the 5 years from the death of Lennon's Uncle George to the departure of the Beatles to Hamburg.

John Lennon's father abandoned the family and later, his spirited mother Julia gave him up to be brought up by his Aunt Mimi. John (newcomer Aaron Johnson) is torn between prim, middle-class Mimi (Kristin Scott Thomas) and his more unconventional mother (Ann Marie Duff), who comes back into his life with unsettling results. Lennon's friendship with Paul McCartney and the formation of their first band, the Quarrymen is shown in 1960s Liverpool.

Leaving home and coming of age are strong themes in this film, as well as showing the radical changes that were taking place in society after the Second World War and the austerity of the 1950s. There is a solid British cast of character actors and the film was nominated for 4 BAFTAs. For those who do remember the 1960s, there is a soundtrack filled with nostalgia.

Please note that the Keswick Film Festival is on 10-13 Feb and you can get further details from their website www.keswickfilmfestival.org

SEBERGHAM WI REPORT, JANUARY 2011

With the bad weather causing our December meeting to be cancelled we were disappointed that so many of our members were unwell and unable to attend the January meeting. 9 members sent apologies. Joyce Harrison is standing down as secretary. She has done a wonderful job and was thanked in her absence. Maureen Allen ably stepped in and acted as secretary for the evening. We learnt of the good news that Claire Guest was safely delivered of a second son, James, a brother for Steven. A card congratulating her was sent from all members.

As the December AGM meeting had been cancelled, we postponed our popular January craft night and, following the reading of the November minutes, the 2011 programme was completed and competitions chosen. It was agreed to donate £25 towards the repair of the sensor light over the front door of the Old School.

We then continued with the AGM, and the minutes of the December 2009 AGM were read and approved. Joyce Harrison sent an excellent secretary's report that reminded us of what a , and two very good fund raisers - the dinner party and quiz night.

Acting president, Margaret Mattinson, then gave her report reminding us of our elected president, Dorothy Staples' sudden illness and her subsequent move to Scotland where her health has continued to give cause for concern. We all wish her the best in her new life nearer her family. Margaret thanked everyone on the committee who had worked so hard in all ways to keep our very happy WI flourishing. Some of our more mature members now feel they would like to hand over the responsibilities to the younger members and we were delighted that Christine Rule and Margaret Watson have agreed to come on to the committee. Nancy Hullock thanked all the past committee members for their commitment.

As there was rather a shortage of members present we postponed the election of officers until the February meeting but would ask all members to consider taking on new roles with perhaps a little job sharing in order that our WI continues to run as smoothly as before.

The 2010 competition winners were 1st Ann Ludlam, 2nd Joyce Wetherell, and 3rd Maureen Allen.

We finished the meeting with tea and delicious cake.

Poppy Hollins-Gibson, Press secretary

THE GREAT COTTON STITCH-UP

Malian farmer, Moussa Doumbia, is worried. 'I am very afraid,' he says. 'Sometimes I can't sleep at night.' Moussa farms rice, peanuts, and beans to feed his 10 member extended family. For cash he grows cotton, now a chancy crop for poor West Africans.

If the global 'playing field' were level, Malian cotton would be the good earner it once was. Mali's fertile riverine lands have the right soils and climate for cotton, and the country is a low cost producer. Cotton from Mali, Benin, Burkina Faso and Chad (Africa's 'Cotton Four') should be amongst the cheapest in the world. It isn't. These countries remain amongst the poorest in the world. Cotton could be their way out of poverty.

The 'Cotton Four' cannot do this because powerful countries subsidise their own cotton farmers massively, even though it is against the rules of the World Trade Organisation. The EU, producing less than 2% of the world's cotton, pays \$2.51/lb in subsidy to its growers - *more* than the market price! In effect Europe's farmers get *twice* the price for their cotton as Moussa gets for his. American farmers get less subsidy per pound, but in absolute terms their subsidies are huge. The larger the farm the larger the cheque; in 2009 one Californian farm received over \$2 million in subsidy. By contrast Moussa Doumbia's average 3 tonnes of cotton bring him an annual income of less than a \$1 a day. Western subsidies reduce the world price, making Moussa's cotton uncompetitive: he is severely undercut. Hence his sleepless nights.

If you care about all this, there are three things you could do:

Lobby the UK minister Caroline Spelman to raise the cotton subsidy issue with the Council of Ministers. Encourage her to persuade her European colleagues to reduce their cotton subsidy. Go online to add your voice: http://www.fairtrade.org.uk/products/cotton/take_action.aspx

Buy Fairtrade cotton products and help cotton farmers in West Africa to benefit from fair prices and so to work their way out of poverty. For information on suppliers go to <http://www.fairtrade.org.uk/products/cotton/stockists.aspx>

Take part in Fairtrade Fortnight, 28 February–13 March and 'Show off Your Label' For information go to: http://www.fairtrade.org.uk/show_off_your_label/

THURSDAY CLUB AGM

Everyone was welcomed to the AGM, held on 13 January 2011, by Mr J Wooler.

Mr Wooler explained that he had enjoyed his time as Chairman but that it was now the time to move on. He thanked everyone for their support. The minutes were read by Mrs L Ramsay. There had been an anonymous postal vote to decide the future of the Thursday Club. The outcome from this was that it should continue. The Treasurer's report was accepted and it was decided that the annual subscription should remain at £3.

The new officers were elected: Chairman - Mr T Ryan (who thanked Mr Wooler for his services); Deputy Chairman - Mrs E Ashmore (and anyone available when necessary); Treasurer - Mrs E Boydell; Secretary - Mrs L Ramsay, assisted by Mrs E Benson; Outings Organiser - Mrs E Boydell; Refreshments - Mrs J Stott and Mrs I Coulthard. (Thanks were given to Mrs V Woodcock for organising the refreshments in the past.); Raffle - Mrs K Davie and Mrs B Hope.

'The Day Schools - The three Day Schools in the parish re-assembled on January 10, after the Christmas vacation, which commenced on Friday, December 23, so that the children and teachers have enjoyed a holiday of nearly three weeks' duration. The prizes given by the Cumberland Education Committee were distributed in the Upton School before the holidays by Mrs Glen, who addressed a few kind words of encouragement to the children. In the other two Schools, similar prizes will be given away either at Easter or before the summer holidays. The following is the approximate number of children in each school at the present time: Upton, 80; Hesket, 50; Fell Side, 20. Total, 150.

Caldbeck Hockey Club - This Club was started in 1904 and began its sixth season in October. A match v Allhallows was played in November. Result: Allhallows, 4 goals; Caldbeck, 2. The goals for Caldbeck were scored by S Tyson. This equalises matters against Allhallows, both clubs having now won 2 matches. A Scratch match (Hesket v Caldbeck) was played in Mr Lawson's grounds at Hesket, by his invitation, on December 21, resulting in a win for Caldbeck 3 goals to 1. Through the kindness of Mr Lawson the teams met afterwards for tea at Hesket Hall, and in conjunction with the Ladies' Committee of the Hesket Agricultural Show, they spent a most enjoyable evening. The weekly practices of the Club are held on Saturdays from 3-4pm.'
