Your Priest-in-Charge Writes

Dear friends,

March sees the beginning of the season of Lent in the Church's calendar. We are thereby reminded of our Lord's struggle with the Evil One as he prayed about his future ministry. In faraway Afghanistan, where our armed forces are working alongside international forces, the talk is of winning "the battle of hearts and minds." Let us use Lent to engage more deeply in the battle for hearts and minds for the Gospel of Jesus Christ the Prince of Peace. On another note, we will be welcoming Malcolm Riches as House-for-Duty Priest at Caldbeck Rectory. His licensing takes place on Sunday 6th March at 3pm. Malcolm writes about himself and Barbara, his wife, on page 10.

Every blessing

Malcolm and Barbara Riches

Who is this couple joining the life of your communities? Well, judging by the number of our friends who say they know people living in your area, we are a little apprehensive about what has gone before us! Here are some snapshots of how we see ourselves ...

Malcolm – I was born, and had my early childhood, in Bromley, Kent. My “church” was the Salvation Army with parents and grandparents lifelong members, but it is 40 years since a cornet touched my lips!

After leaving school I started training as a Quantity Surveyor with Wates, a large South London construction company - but failed my finals and decided that being a QS was not for me. For 30 years I was involved in general construction, property development and housing association work, until God opened my eyes to his plans for me (a story to be saved for another article or sermon illustration), and at the age of 47 I started studying for the ordained ministry at St John’s Theological College in Nottingham. By the way, how I joined the Church of England can also be saved for another time!

My curacy was in Swaythling (Southampton). Following this I was vicar of 2 rural parishes on the south coast (Boldre and South Baddesley) for 6 years, and I have just left another rural benefice of 3 parishes in the New Forest (Ellingham, Harbridge and Hyde) where I was vicar for 7 years. My hobby is photography and I am looking forward to having the time to explore the beauty of the Lake District.

Barbara – Dover was the town of my childhood and youth. I met Malcolm in Bromley when I was training as a teacher. The young people at the local parish church there decided to do the rounds visiting other churches in Bromley ... and I did not get any further than the first on our list – the Salvation Army!

Us – Married for 42 years with 2 sons aged 40 and 38. They are both married and we have two granddaughters and one grandson. One of the delights of moving to Cumbria is that we will be nearer our younger son and his family who live in Glasgow. We have much enjoyed walking in the New Forest and the new experience of Fell walking excites us – we think some guidance at first would be prudent.

The quirky bits? We both prefer tea to coffee. Malcolm is a chocoholic. He gets up very early and falls asleep soon after 9pm - marvellous in PCC meetings. Barbara says she is normal!

.We are very much looking forward to joining you all and hope that we can meet as many as possible at the Licensing and Installation in St Kentigen's, Caldbeck at 3pm on 6th March.

We also hope that we have written enough about ourselves to give you a feel of who is arriving, and we now look forward to you sharing something of yourselves with us!

Yours, in the grace of Jesus,

Malcolm and Barbara

ST KENTIGERN'S CHURCH, CALDBECK PCC

At the meeting on 24 January the PCC discussed arrangements for welcoming Malcolm and Barbara Riches into our community. By the time you read this they will have moved into the Rectory. Malcolm is to be licensed at a special service on Sunday 6 March at 3.00pm.

The first Service which Malcolm will lead will be Holy Communion at 6.30pm on Ash Wednesday, 9 March. This will be followed by an ecumenical Lent Course. The PCC was also pleased to learn that those attending the Lay-led Service Course are now ready to serve. It was agreed that there will be monthly Lay-led Services starting in June and running for six months. This will be reviewed in November.

On the social side, the PCC are hoping to organise a number of fun events, but these are in the planning stage – so more later.

Meanwhile please put Monday, 4 April in your diaries. This is the date of the Annual Parochial Church Meeting which will be held in church at 7.00p.m. This is your chance to quiz the PCC on what they have been doing and suggest what might be done in the future. We look forward to seeing you there.

CALDBECK MOTHERS' UNION

Ann Wade welcomed members to the Annual Meeting with a special mention of those from Westward who are joining us. She reminded us of the events of the past year and that the subscription is fifteen pounds.

The Reverend Norman Robinson then spoke to us on the topic 'Safe Relationships'. Why the need to address this topic in our advanced, technologically proficient and relatively wealthy nation with civilised values and human rights legislation? Any day's headlines give us the answer. The current cry for 'Freedom' reminds us of the dictators of the past, and we are all for it. Freedom from oppression has been a dominant cry since the era of the Beatles. Some people, however, consider traditional values oppressive and the state of our society reminds us of babies and bath water. The Bible speaks of the virus of sin, a message we don't want to hear in our western liberal democracies.

Some other cultures and nations still respect the elderly and protect their

young and vulnerable citizens.

“Starting a quarrel is like breaching a dam...” says the writer of Proverbs. In the sixties a quarrel broke out between the generations and the resulting flood has swept many into deep water. Isaiah says of the servant of the Lord “You shall be called the repairer of the breach, the restorer of streets to dwell in”, i.e. safe relationships. May we pray and work for this.

CALDBECK WI, FEBRUARY 2011

Everybody was welcomed by Mrs P Shaw and the minutes of the last meeting were read by Mrs P Richardson. Mrs E Bell was congratulated on becoming a member of the Executive Committee. The County News was read.

Thursby WI had invited members to their meeting on 14 March. This is the same evening that the darts competition will be taking place at Caldbeck Bowling Club. Caldbeck WI will be holding a fund-raising quiz night on 8 April at 7.30pm in the Parish Hall. Our speaker in March will be Rachel Nicholson who will talk to us about her life in Tanzania.

After the notices, Mrs Shaw welcomed our speaker for the evening, Dr Sean Hudson, who had come to speak about ‘Expedition Medicine’. He described his work in a variety of remote locations: working the summer tourist season in Antarctica, on film shoots in Africa, and with Helen Skelton on the Amazon, among others. He gave us a most interesting, enthusiastic and entertaining talk. He was thanked by Mrs J Cox.

The competition for a winter photograph was won by Mrs P Richardson. The runner-up was Mrs P Wolfenden. Mrs P Richardson won the raffle.

THURSDAY CLUB

Everyone was welcomed to our February meeting by Mr T Ryan. He introduced our speaker, Mr Ian Roufell, who had come to speak to us about 'The Galapagos Islands'. He showed slides of sailing on the Pacific Ocean in January. We saw fantastic slides of rare animals who were very trusting, including the tortoises who can live up to an age of about 130 years! They mate for life and are about as big as a car. We saw slides of Santa Cruz with magnificent beaches and huge crabs, as well as penguins. The crabs eat the penguins' eggs. There were also iguanas, seals, gulls and frigate birds. On Isabella Island, slides showed the various species of finches. We all found Mr Roufell's talk extremely interesting and he was warmly thanked by Rev Colin Reid.

Parish Heritage Exhibition

I wrote in 2009 to local societies, clubs and small businesses in the parish, which have been going long enough to have a 'history', about taking part in a parish heritage exhibition in 2011. (If I left anyone out who would like to be included, do please get in touch). The response to my letter was very positive and the date has now been fixed for Saturday, 1st October – in the Parish Hall. What we have in mind is having all the Hall tables laid out for use, and also having display surfaces for things to be pinned to, etc. Any costs involved will be covered by the History Society.

The Hall has been booked for the day. The morning can be used for setting out the material, and the afternoon for everyone to come and see it. Entry and refreshments will be free.

I'll be in touch with all the above bodies again in the spring, and there will another paragraph in the Magazine in September as a reminder for everyone.

Do please get in contact if you have any queries – or suggestions.

Ron Davie (78364).

Fairtrade Fortnight

**Caldbeck & Hesket Newmarket is a
Fairtrade Zone**

Please think about buying more Fairtrade articles. Fairtrade chiefly operates in poorer countries where farmers struggle to earn enough money to buy the basic necessities of life. By given fair trading terms, producers can earn their way out of destitute poverty.

Fairtrade guarantees that producers are always paid a fair price. In addition a premium is paid to the producing community. This is spent in ways that improve life for the whole community, typically on such things as school buildings, roads, water supplies and medical facilities.

Look for the Fairtrade Mark

Fairtrade foods and crafts are available from the Old Smithy and the Fair World Shop; Fairtrade clothes from Victoria, Penrith and The Carlisle World Shop. Many High Street stores now stock Fairtrade goods. Please ask for them and look for the Fairtrade Mark.

CALDBECK PARISH COUNCIL NOTES

Notes of meeting 24th January 2011. Antoinette Ward, Clerk. Tel 016974 78220.

1. Police Report: Two ‘damage only’ road collisions. A theft from a garden. A report of concern for a walker in worsening weather conditions. Police found the walker and escorted home. The local Police Contacts are: PC 1984 Natalie Jackson and PCSO 5170 Lindsay Tuck.

2. County/District Councillor’s Report: Duncan Fairbairn showed the meeting a map of roads that need repair and pointed out that roads around Caldbeck figured prominently on the map. Andrew Butler, Senior Engineer has inspected the B5299 from Whelpo across the Common and it is going to be repaired. The fell gate (to Brocklebank) at Blue Gate has been stolen and is going to be replaced. The gate will be welded at the hinge top to prevent it being taken off its hinges by thieves again.

3. The Chairman, Anne Cartmell, wanted to apologise to the village via the Parish Council as her household has inadvertently polluted the Cald Beck with heating oil from a leak in an underground pipe. The leak is contained now and the oil was soaked up & removed as it appeared at the beckside.

b) Applications: 7/2010/2330 Long Lea, Caldbeck, CA7 8HW. Proposed improvements and conversion of adjacent barn to living accommodation. **Agreed to support** as will improve house.

7/2010/2331 Whinby Cottage, Hesket Newmarket, CA7 8JT. Proposed erection of open hay barn and store. **Agreed to support** because the hay barn is needed for the horses.

7/2010/2337 (Planning applic’n)/2338 (Listed Building applic’n) Greenrigg Farm. Extension and internal alterations to grade 2 listed house. **Agreed to support** - will improve kitchen & bedrooms.

c) Dale Beck Barn, Branthwaite – Compliance investigation. The LDNPA will accept owners’ visits of up to 20 nights a year for the purposes of repair and maintenance, and that the dwelling is therefore unoccupied and so not in breach of the planning condition. If the joint owners’ visits exceeded 20 nights a year this would suggest use as a holiday home which would be in breach of the planning condition – there is a local occupancy condition on the property.

5. Parish Maintenance: Arnold Savage has volunteered to sort out the wild area on the allotments. A Working Party was formed to investigate the possibility of the parish gritting its own minor roads. The Clerk to write again to CCC pressing for upgrading of Hesket Newmarket for winter gritting. Dog fouling on Hesket Newmarket back green to be followed up with Allerdale Borough Council. **6. Next Generation Broadband.** Roy Knowles gave a report on the Broadband conference he had attended at Carlisle Racecourse on 15th January. There is a pilot implementation planned for part of the Eden Valley in 2012 but there are opportunities for other areas to go ahead, and it remains to be seen whether Caldbeck can be included. Mr Knowles had spoken with a representative of Westward parish about the seven parishes of the Northern Fells getting together in a joint effort to provide high speed broadband for the area. Mr Knowles said he hoped to attend the first meeting of this group soon. The Chairman thanked Mr Knowles for his report - the full report is available from the Clerk.

7. Annual Parish Meeting It was agreed that an interesting topic would be Next Generation Broadband and the benefits high speed broadband could bring to a very rural area. Roy Knowles agreed to try and find a speaker and he and the Clerk will liaise over plans.

DATE OF THE NEXT MEETING: Monday 7th March 2011, 7.30pm. All are welcome.

SEBERGHAM WI REPORT, FEBRUARY 2011

It was lovely to see so many members at our February meeting including a visitor, former member Sylvia Tallontire, who then promptly re-joined. Claire Guest had brought her new baby, James, who slept through the whole meeting.

Acting president, Margaret Mattinson, welcomed everyone and introduced Malcolm Foster our speaker and John Braithwaite, who acted as technician to the video equipment.

Through his work as a manufacturer of metal equipment, Malcolm had met Charles Irving and his son William of Kirkbride, producers of Cumbrian turf. On a visit to Africa, Charles had learnt about a Hibiscus plant that produces healthy properties in the form of antioxidants. He decided to find a way to turn this into a drink. He bought a house in Uganda, set about building a factory to dry the Hibiscus flowers, encouraged farmers to grow the Hibiscus as a crop and created new employment.

He asked Malcolm to produce some equipment, which he delivered to Uganda to help install it. We were then shown film clips of the barefoot Ugandans building the factory and installing the machinery that would dry the flowers. Part of the dried flower is packed and shipped to England where the concentrate is extracted and with added grape juice as a sweetener is turned into a delicious drink. Malcolm handed out cartons (now sold in Waitrose) for us to try and we all pronounced it delicious.

While Malcolm was in Uganda, the Irvings took him to a Safari lodge and with a guide they had some rather close encounters with elephants, hippopotami and crocodiles. It was noted that the camcorder did shake a little as Malcolm beat a hasty retreat back to the vehicle!

One night, while eating dinner on the lodge veranda, a hippo grazed the grass on the lawn just 8 feet away with no barrier between them and the hippo. A little scary! Malcolm was thanked by Shirley Mandale for this very interesting and entertaining talk .

The competition for an African ornament, judged by Malcolm, was won by Joyce Wetherell with Anne Ludlam second.

Following tea we continued with the business meeting. January minutes were read and the county news was read and noted. A Sebergham member will attend the AGM in Liverpool on 8th July.

A menu was chosen for our birthday party in March to be held at Denton House, Hesket Newmarket and invitations were received from Bassenthwaite, Scotby and Dunderdraw WIs.

Then followed the election of officers for 2011. Margaret Mattinson became president with Christine Rule as vice president. Poppy Hollins-Gibson is now secretary and treasurer. Many members were willing to job share and Maureen Allen will continue

as bulb secretary and became the programme secretary. Christine Rule will become the social events secretary with Claire Guest updating the address list.

We all thoroughly enjoyed the evening as it was good to meet up again after the month of bad weather.

Poppy Hollins-Gibson, Press secretary

SEBERGHAM AND WELTON PARISH COUNCIL NOTES

Tel 01228 534565, E mail plg511@live.co.uk
www.seberghamwelton.org.uk

The Parish Council met on 2 February for their first meeting of 2011.

We were joined by Sergeant Joanne Scoltock from Cumbria Police who gave an explanation on the upcoming changes to policing in the area. Sgt Scoltock assured the Parish Council that there would be no change to the policing on the ground due to the mergers of the neighbourhood policing teams. There had been very little criminal activity in the area of late. The Parish Council asked if some speed checks could be done on traffic travelling through Welton village particularly in the rush hours as far too many vehicles travel through the village well in excess of the 30mph limit.

The phone number for the Police is 0845 3300247

A meeting will be held in Sebergham Village Hall on 15 February at 7.30. This will be hosted by Michael Stockdale and is to gauge the interest in the Parish for the idea of lobbying for faster broadband facilities in the area. This is following on from Rory Stewart's broadband champions initiative. Anyone living or working in the Parish and surrounding areas is welcome to attend, the more the merrier.

The next Parish Council meeting will be on 30 March.

Ms P L Gauntlett

Parish Clerk

CAFS REPORT FOR MARCH 2011

The March film is **Bright Star**, written and directed by Jane Campion. Made in 2009, it lasts for 119 mins and is Cert PG. Like many of Campion's films, it is meticulous in its detail and lyrically filmed, as you would expect from the Oscar-winning director of *The Piano*.

It is set from 1818-20 and traces the tragic love story of John Keats, the great Romantic poet and Fanny Brawne, his next door neighbour in Hampstead.

Keats is played by Ben Wishaw and Fanny by Abbie Cornish.

There is some initial material about Keats' humble background, the early loss of his mother and his apprenticeship to an apothecary but then the arc of the tragic romance begins as Keats first meets, then admires, teaches and falls in love with the self-possessed Fanny Brawne, who is a student of fashion. Much of the film is seen from Fanny Brawne's point of view.

Keats' secret love affair with Fanny coincided with his most productive period as a poet, though he did not greatly impress the critics until his last volume was published. Keats' companion, poet Charles Brown, tries to keep the poet from being distracted by Fanny. Keats was always beset by financial problems, as his sales were meagre. Fanny's mother, played by Kerry Fox, sees Keats as a hopeless prospect for her daughter but allows their secret engagement.

Keats' mother died of TB when he was only 14 and he nursed his dear brother Tom, as he too died of the disease, so Keats was well aware of the disease and its likely outcome as he became weaker and more ill himself. He left for the more favourable climate of Italy at the invitation of Shelley. He wrote to Fanny all the while but only reached Rome, where he died.

This beautiful film should be watched right to the end of the credits.

Films showing at Keswick in March are as follows :

Sun 6 March On tour

Sun13 March Uncle Boonmee who can recall past lives

Sun 20 March NB At Rheged The wildest dream

Sun 27 March Loose cannons

CASTLE SOWERBY PARISH COUNCIL NOTES

The bi-monthly meeting of Castle Sowerby Parish Council met in Millhouse Village Hall on 27 January 2011, when the Chairman, Mr John Foster, welcomed Parish Councillors, District Councillor Gordon Savage, County Councillor Bert Richardson, Jayne Potts from the Rural Housing Trust and two parishioners. The Chairman introduced Jayne, who had compiled the Housing Survey Report Form.

Housing Survey: Key findings. 163 survey forms were hand delivered by a parish council representative to the households within the parish of Castle Sowerby (100%). 59 households returned their completed forms (38.81%). This is a total return rate, which is above the current 32% average return rate for this type of survey in the Eden District. Cumbria Rural Housing Trust expresses its thanks to the Parish Council and others in the community for their work to promote the survey. Of the returned forms, there were 15 (25.42%) responses saying that either the whole household or someone living within the household wished to move within the parish in the next five years.

Housing Need: Of the 15 survey responses indicating a housing need, some had a multiple need, giving 17 in total. Of these, three households are in need of affordable housing within the next five years in the parish of Castle Sowerby. The main need is for shared ownership and rented accommodation. All three of the households in need are adult children, over the age of 15, living in the parish with their family and wishing to set up home on their own or as a couple and remain in the parish. Under Eden District Council's policy, Castle Sowerby is not identified as a Local Service Centre. However, small-scale housing development will be permitted if it meets an identified local need and Eden District Council's criteria, as set out in the Core Strategy. In all cases, the scale and nature of the development should take into account the capacity of essential infrastructure and should respect the character of the town or village concerned. It is important to note that this housing needs survey offers a snapshot of the housing situation in the parish, but the situation will alter with the increasing/decreasing values of housing, lending policies of the banks, the economic climate and as demographics change in the community. The Chairman thanked Jayne for compiling the report. He also thanked the Councillors for delivering the surveys. Councillor Christine Johnson said the setting up of the website with Andrew Ward is progressing, and Andrew hoped to attend the next meeting.

Flooding: Councillor Joyce Wetherell had spoken to a representative of the highways concerning the flooding at Sour Nook. It would be difficult to have an engineer on site when flooding. County Councillor Bert Richardson suggested taking photographs and measuring the depth of the flood as evidence. Parishioner Geoff Hine, offered to take photographs and measure the depth. Flooding was also reported at the bottom of Newlands Bank, joining the River Caldew. The Highways Steward would be contacted.

Finance: The Clerk reported that an election would be held in May 2011 for District and Parish Councillors, with a possible cost of £600. He wondered if the Parish

Council's precept would be sufficient to meet the parish's commitments for the coming year. The Chairman felt that, in the current financial climate, in his opinion, it would be possible to leave the precept of £1600, as agreed. He put this suggestion to the Council, who unanimously supported it.

Signposts: Restoration of signposts will be held over to possibly next year. County Councillor Bert Richardson would look into the fact that three sign arms were missing. The Chairman said these arms had been missing for a considerable time.

Planning: The use of the cabin/shed adjacent to U30176: Councillor Sid Asbridge agreed to meet a planning officer regarding the siting of this shed. District Councillor Gordon Savage gave his usual report. He said the District Council had big savings to make in their budget, closing toilets was one option. Parish Councillors felt a small charge for the use of these facilities would be a better solution than closing them. Eden District were discussing their Co-operative Plan for the next three years. He also mentioned the Penrith New Squares were back on track. County Councillor Bert Richardson gave his report. He said the repairs to roads were now carried out by the 'Hot Box System'. This was more effective than the previous system. As the hard winter had caused more problems, he enquired if the distribution of salt/grit had been effective in the parish. The Parish Council felt it had worked well for Castle Sowerby. The Chairman thanked the County Council for the seven tons of salt/grit delivered to Inglewood Edge, and he also thanked Councillor Jonathan Stalker, Councillor Richard Little and Councillor Mike Strong, for distributing the salt/grit to different areas of the parish. Councillor Gerald Bainbridge asked if some salt could be delivered to the bend at Hawthorn Cottage. The Chairman thanked Councillor Bert Richardson and Councillor Gordon Savage for the invaluable services to the parish.

FELLVIEW SCHOOL NEWS FEBRUARY 2011

We started off with a fairly quiet term although, as usual, it seemed to gather momentum as the weeks went by.

Wider Opportunities, brass lessons for all Y3 and 4 pupils, continues to be popular with the children. There are several trombones, two baritones and a clutch of trumpets being blown, and tunes such as Hot Cross Buns and The Grand Old Duke of York are sounding quite tuneful. Music is a popular area of the curriculum with group guitar and brass tuition and individual piano lessons offered to children who wish to take up an instrument. All Y3 to Y6 children learn to play the recorder and a peripatetic music teacher visits once a week for class music lessons. At the moment we also have Anton Muller from Caldew, once a fortnight, teaching the Y3 and Y4 children some seasonal songs in order that they can participate in a Festival at Caldew with a dozen other Primary Schools in the area.

There have been various sporting activities both in and out of school. Chris Whittle coaches tennis on a weekly basis and many of the children have been out and about at various gymnastic and inter schools events.

After the success of our Community Food Week, we intend hosting some more community meals on a regular basis. These will be on the first Tuesday of the month, the next one being on the 5 April, and monthly thereafter. We would love to have you come and join us. Please 'phone school for more details.

We had our visit from OFSTED earlier this month and we were delighted to be given a judgment of good on all areas of the inspection. It was a superb team effort by staff, governors and pupils, well supported by parents and members of the community. Thank you to everyone who has helped and supported us. We are keen to continue moving the school forward, so we can't rest on our laurels.
