Hi Simon,

I have just received this. I've completed the report and submitted to the Chief Exec. I think it will be OK for me to share this with you, but I would need to wait until I have the go-ahead to do this from her – or it may not be 'proper'. I will advise.

Best wishes,.

Dan

Dan

I just wanted to say the Parish Council has its regular meeting on Monday 26 February 7:30pm.

It would be very good to be able to provide an update on your report if possible although I do appreciate that you need to consider representations from all quarters before finalising your report.

Many thanks

Simon
