Pauline

I would be very grateful if you would add one further piece of information to Caldbeck Parish Council's Freedom of Information request.

Para 5.1 of Dan Barton's report dated 26 April 2018 refers to the Chief Executive commissioning a review subsequent to Caldbeck Parish Council's letter dated 6 December 2017. Caldbeck Parish Council requests a copy of the Chief Executive's email or letter commissioning that review.

Apologies for not including this item in the earlier letter.

I have copied this email to the Complaints team as I did previously. Hopefully the request can be treated alongside the letter.

Many thanks and kind regards
