Clerk - Caldbeck Parish Council

Dear Simon

I write in response to your letter of 2<sup>nd</sup> August in which you requested a review of the Council's response you received on 10<sup>th</sup> July to a Freedom of Information Request.

You will be aware that this review is being progressed as confirmed by the Information Governance Team on 8<sup>th</sup> August.

The Information Governance Team will be in touch with you directly with the outcome of the review.

In your letter to me you also requested an urgent meeting take place with the Leader of the County Council; relevant Portfolio Holders and myself. Whilst I appreciate you are exploring all avenues to take the footpath proposals forward, the Council has already confirmed its position to the Parish Council. Therefore I do not feel a meeting would progress matters any further.

Yours sincerely

**Katherine Fairclough**  
Chief Executive
